Received with thanks

- Your contribution will go directly towards converting The Riverside Theatre projection equipment to digital, the cost of which is about £35,000.
- We aim to do this in 2012 and with your goodwill gesture in helping us reach our target, this could be earlier in the year rather than later.
- Our aim is for 12 or more live stream events each year such as West End productions, Opera and Ballet.
- Tickets for these performances will be in the region of £20 so you could see a good return very quickly.
- We are accepting contributions now and will keep you informed of installation progress. Membership cards will be issued as soon as we are up and running.

Terms and Conditions

1. This card is non-transferable and non-refundable
2. This card permits half-price entry to live streamed performances for the named cardholder only.
3. Failure to produce this card when purchasing or collecting tickets will result in full price being charged.
4. This card is valid indefinitely.
5. Replacements for lost/stolen cards will be issued at £5.
